Payment Information: Please make payments in U.S. Dollars, accompanied by the lower portion of your statement. Mail us your payment in the enclosed return envelope or addressed to: Target Card Services, P.O. Box 660170, Dallas, TX 75266-0170. Please do not mail cash payments or gift certificates. Make your check payable to **Target Card Services**. If these payment instructions are not followed the crediting of payments may be delayed for up to five (5) days after receipt. Payments received by 5:00PM CT are credited as of the day of receipt. You can also pay online at Target.com/myCircleCard by 11:59PM CT, by calling 800-424-6888 (Target Mastercard) or 800-659-2396 (Target Credit Card) by 11:59PM CT or at a Target store until the store closes to have the payment credited to your account as of the same day.

You may at any time pay the full amount you owe or any part thereof without incurring any prepayment charges.

Electronic Payment Processing: When you provide a check as payment, you authorize us either to use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. If your check is returned unpaid for insufficient or uncollected funds, we may present the returned check electronically.

How We Calculate the Balance for Interest Charge: We calculate a Daily Balance for your Account balance. We maintain separate balances for your Purchases and special promotional balances (and for Target Mastercard, Cash Advances) (each, a "Balance Type") and calculate a Daily Balance for each. To determine the Daily Balance for a Balance Type, we take the beginning balance for the Balance Type, add any new charges included in that Balance Type, and subtract any payments and credits applied to that Balance Type. We then multiply the resulting balance by the applicable Daily Periodic Rate and that daily Interest Charge is included in the beginning balance of that Balance Type for the next day. Purchases (and for Target Mastercard, Cash Advances) are included in the Daily Balance as of the later of the transaction date or the first day of the billing period in which the Purchase is posted to the Account (and for Target Mastercard, in which the Cash Advance is posted to the account). Fees are included in the Daily Balance of Purchases when posted to the Account (and for Target Mastercard, Cash Advance Fees are included in the Daily Balance of Cash Advances). At the end of the billing period, we will add up the daily Interest Charges on all Balance Types for each day in the billing period to get the total Interest Charge for the billing period. The Balance Subject to Interest Rate shown on the front of the statement is the average daily balance which is multiplied by the number of days in the billing cycle and the periodic rate applied to the Balance Type to determine the amount of interest.

Paying Interest: You may avoid paying an Interest Charge on the purchases balance by paying your entire New Balance by the Payment Due Date each month. (For Target Mastercard: An Interest Charge will continue to accrue on the cash advance balance until paid in full.) If your account has a promotional balance (or, with Target Mastercard, a cash advance), this may impact how we are required to apply your payments and whether you can avoid paying Interest Charges on purchases.

Delinquent Accounts: Failure to pay at least the Minimum Payment Due may result in a late payment fee. If your Account is past due or in default under the Credit Card Agreement, this is an attempt to collect a debt and any information obtained will be used for that purpose. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Disputes About Information We Reported to Credit Bureaus: If you believe we have reported inaccurate information about your Account to a credit bureau, you may notify us by sending your Account number and a description of the information you believe to be inaccurate along with any documentation supporting the inaccuracy such as your credit report to: Target Card Services, P.O. Box 673, Minneapolis, MN 55440-0673.

Disputed Amounts: All communications concerning disputed amounts, including any check or other payment instrument in an amount less than the full amount due that you send to us marked "payment in full" or you otherwise tender as full satisfaction of a disputed amount, must be sent to us at the address for billing inquiries shown in the summary of your billing rights that appears below. We may accept any such payment, at this address or elsewhere, without waiving any of our rights to receive full payment under the terms of your Credit Card Agreement.

BILLING RIGHTS SUMMARY

What To Do if You Think You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at: TD Bank USA, N.A., c/o Target Card Services, P.O. Box 9500, Minneapolis, MN 55440. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of Problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try and collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights if You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.
(Note: Neither of these are necessary if your purchase was based on an advertisement Target mailed to you, or if Target or Target.com sold you the goods or services.)
2. You must use your credit card for the purchase. For Target Mastercard: purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at: Target Card Services, P.O. Box 1581, Minneapolis, MN 55440-1581. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent. Target Card Services provides services for your account with TD Bank USA, N.A.
